

<p>Before operating Noke for the first time, you (and any users you want to invite to use Noke) will need to create an account. For help setting up an account, visit <a href="http://www.noke.com/support">www.noke.com/support</a>. Once you've logged into your account, you can set up your fob by following the steps below:</p> <p>1. Select the Fob icon at the bottom of the screen</p>  <p>4. Name your Fob</p> 	<p>2. Select the Add "+" button in the top right corner</p>  <p>5. Select 'Add Lock to Fob'</p> 	<p>3. With your Fob in close proximity to your phone, squeeze the Fob for about five seconds. When the light turns red, release</p>  <p>6. Choose the lock you'd like to access using your Fob</p> 
<p>7. Squeeze the Fob again until the light turns red</p>  <p><b>Español</b></p> <p>Antes de usar por primera vez Noke, tu (y todos los usuarios que desees invitar a tu Noke) tienes que crear una cuenta de usuario. Ve a la pagina de web <a href="http://www.noke.com/support">www.noke.com/support</a> para crear cuentas de usuario. Despues de crear tu cuenta de usuario puedes poner a punto tu llavero segun los pasos singuientes</p> <p>1. Elige el simbolo llave colgante al pie de la pantalla</p>  <p>4. Da un titulo a tu llavero</p> 	<p>8. Press OK</p>  <p>5. Elige "añadir candado al llavero"</p> 	<p>To add multiple locks to your Fob, repeat the last four steps until all desired locks have been shared with your Fob.</p> <p>3. Presiona el llavero por cinco segundos cerca de tu smartphone. Suelta el llavero cuando la luz cambie roja</p>  <p>6. Elige el candado, con el que quieres abrir el llavero</p> 
<p>7. Presiona el llavero otra vez hasta que cambie a la luz roja</p>  <p><b>Français</b></p> <p>Avant de faire fonctionner Noke pour la première fois, tu dois (ainsi que tous les utilisateurs que tu souhaites inviter à utiliser Noke) créer un compte utilisateur. Sous <a href="http://www.noke.com/support">www.noke.com/support</a> tu trouveras de l'aide pour créer ton compte utilisateur. Après avoir créé un compte utilisateur, tu peux configurer ton porte-clé dans les étapes suivantes</p> <p>1. Sélectionnes l'icône du porte clé au bas de l'écran</p>  <p>4. Donnes un nom à ton porte-clé</p>  <p>7. Appuies à nouveau sur le porte-clé, jusqu'à ce que la lumière devienne à nouveau rouge</p> 	<p>8. Presiona "OK"</p>  <p>5. elige "añadir candado al llavero"</p>  <p>8. Cliques sur "OK"</p> 	<p>Para agregar mas candados a tu llavero, repite los 4 ultimos pasos hasta que todos los candados estan agregados</p> <p>3. Places le porte-clé à proximité de ton smartphone, appuies pendant 5 secondes. Quand la lumière devient rouge relâches-le</p>  <p>6. Choisis le cadenas avec lequel tu souhaite ouvrir ton porte-clé</p>  <p>Pour attribuer plusieurs cadenas à ton porte-clé, répètes les 4 dernières étapes jusqu'à ce que tous les cadenas soient liés.</p>

<p><b>Deutsche</b></p> <p>Bevor du Noke das erste Mal verwendest, musst du (und jeder andere Nutzer den du zu deinem Noke einladen willst) ein Benutzer-Account erstellen. Unter <a href="http://www.noke.com/support">www.noke.com/support</a> findest du Hilfe beim Erstellen deines Benutzer-Accounts. Nach dem Erstellen deines Benutzer-Accounts kannst du deinen Schlüsselanhänger gemäss den folgenden Schritten einrichten.</p> <p>1. Wähle das Schlüsselanhänger Symbol am Fusse des Bildschirms</p>      <p>4. Gib deinem Schlüsselanhänger eine Bezeichnung</p> 	<p>2. Klicke auf die "+" Taste in der rechten oberen Ecke</p>  <p>5. Wähle 'Schloss zum Schlüsselanhänger hinzufügen'</p> 	<p>3. In der Nähe deines Smartphones, drücke den Schlüsselanhänger während etwa fünf Sekunden. Wenn das Licht auf rot wechselt, loslassen.</p>  <p>6. Wähle das Schloss, welches du mit dem Schlüsselanhänger öffnen möchtest</p> 
<p>7. Drücke deinen Schlüsselanhänger nochmals, bis das Licht wieder auf rot wechselt</p> 	<p>8. Drücke auf 'OK'</p> 	<p>Um deinem Schlüsselanhänger mehrere Schlösser zuzuordnen, wiederhole die letzten 4 Schritte bis alle Schlösser verknüpft sind.</p>
<p><b>Italiano</b></p> <p>Prima di utilizzare Noke la prima volta, devi (e ogni altra persona che vuoi invitare al tuo Noke) creare un account. Su <a href="http://www.noke.com/support">www.noke.com/support</a> trovi aiuto per creare il tuo account. Dopo avere creato il tuo account puoi configurare il tuo portachiavi seguendo questi passi:</p> <p>1. Scegli il simbolo portachiavi in basso allo schermo</p>      <p>4. dar un titolo a tu llavero</p>  <p>7. Premi di nuovo sul grillo affinché la spia divenga rossa</p> 	<p>2. Clicca sul tasto "+" nell'angolo sopra a destra</p>  <p>5. Scegli "Aggiungere lucchetto al portachiavi"</p>  <p>8. Premi "OK"</p> 	<p>3. Premi il grillo tenendo il portachiavi vicino al tuo marthphone per ca. cinque secondi. Quanto la spia diventa rossa, rilascia.</p>  <p>6. Scegli il lucchetto che vuoi aprire con il tuo portachiavi</p>  <p>Per aggiungere diversi lucchetti al tuo portachiavi, ripeti gli ultimi quattro passi affinché tutti i lucchetti desiderati sono collegati con il tuo portachiavi</p>
<p><b>FCC Statement</b></p> <p>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.</p> <p>This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>• Reorient or relocate the receiving antenna.</li> <li>• Increase the separation between the equipment and receiver.</li> <li>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> <li>• Consult the dealer or an experienced radio/TV technician for help.</li> </ul> <p>To assure continued compliance, any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.</p> <p>This equipment complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:</p> <p>(1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.</p> <p>RF warning statement:</p> <p>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p>
